A Year Round Resort

Welcome

The Samoset is a year-round luxury resort set on 230 ocean-side acres overlooking Penobscot Bay on the mid-coast of Maine, the Lobster Capital of the World. Here you'll experience spectacular vistas of the rugged coast . . . of the Bay and offshore islands, fishing boats and windjammers, and forested hills that sweep to the sparkling Atlantic.

Once host to such notables as the Rockefellers, Coolidges, Harry Truman and Justices of the Supreme Court, the Samoset's unique ambience is in the true spirit of the "Grand Hotel" of yesteryear. Today, the new Samoset — a contemporary architectural masterpiece — offers 150 spacious guest rooms with private balconies overlooking the Bay. And each offers color TV, walk-in closets, oversize beds and individual air-conditioning and heating controls.

The Rockport, Rockland, Camden area has many quaint stores and galleries just perfect for shopping and browsing. You'll also find an abundance of interesting sightseeing opportunities including many historic homes, lighthouses, the Farnsworth Art Museum, the Owls Head Transportation Museum and cruises of the offshore islands and coves aboard the many schooners and windjammers in the area.

The Sporting Life

Year-round recreational activities include an 18-hole championship golf course that converts in winter to a network of cross-country ski trails. There's indoor and outdoor swimming and tennis. Boating and fishing in summer. Ice skating, toboganning and downhill skiing at the nearby Camden Snow Bowl in winter. Plus sauna and complete health club facilities available all year long. Kids will love our game room, as well as enjoy movies and special activities planned especially for them.

Fine Dining

Enjoy our intimate lounge where floor-to-ceiling windows provide breathtaking views of the grounds and Bay. Sip a hot-toddy by a crackling fire in winter or a pina colada in summer while watching the golfers play their round.

Dine on Continental masterpieces or a hearty New England repast in our new Bay Point Dining Room where fresh Maine lobster is the star attraction. Homemade pastries are baked fresh daily in our kitchen from traditional down East recipes. After dinner relax to seasonal entertainment.
